exquisitely • complex • minerality

A SMALL NOTE

Fall is here, and to embrace it, we’ve added a series of heavy hitting reds! Syrah is one of my favorite varietals for cold weather, so we’ve got two new ones by the glass that I think are highly representative of their terroir. I also stumbled onto the most affordable Brunello I think I’ll ever find, so if you’re not familiar, this is your chance!

REDS

VALPANTENA CORVINA *Verona* 6 | 24*
organic • strawberry • beaujolais
